

## Queensland's fossil emblem

# How big was I?

Using chalk, draw the length of each fossil on the ground and see how you compare.

*Extra activity: How many of your shoes/books/pencils fit into the fossil length?*

*Diamantinasaurus matildae* 16m

*Eromangasaurus australis* 9.5m

*Siderops Kehli* 3.5m

*Rhoetosaurus brownei* 12m

*Australotitan cooperensis* 30m

Richmond Polycotyloid 4m

*Kronosaurus queenslandicus* 11m

*Muttaborrasaurus langdoni* 8m

*Isisfordia duncani* 1.1m

*Ridersia watsonae* 10cm

*Obdurodon dicksoni* 60cm

*Lovellea wintonensis* 1cm

Parents help your child nominate their favourite at [www.qld.gov.au/fossilemblem](http://www.qld.gov.au/fossilemblem)
